

NM Onboarding Professional Development Matrix
for the
Treatment Court
Judge

Prepared especially for:

Team Member Name

Thank you for joining our statewide treatment court initiative and agreeing to invest your professional expertise as part of a local multidisciplinary team. To help you understand your role and prepare you for the greatest engagement possible, we have created a list of recommended professional development topics for you to complete as your schedule permits. *The primary onboarding topics are listed in the first section below and **must** be completed within sixty (60) days of joining the team.*

If treatment courts are new to you, you can view this 3-minute video introduction to the drug court model created by the San Bernardino, CA probation department via this link:

https://www.youtube.com/watch?v=KdIulmZ_bZQ

DIRECTIONS:

1. Go to [All Rise E-Learning Center](#) and sign up if you have not done so.
2. Click on the video topic you would like to view. This will take you to the beginning of the session.

As you complete the various topics, you will be required to complete a quiz. Once you have passed the quiz, you may receive a certificate, which will need to be sent to your local program coordinator. If you do not receive a certificate, please inform your coordinator of the date you completed the session. The coordinator will document completion on the master team training log.
